

Character Cover Sheet

All answers to the questions below should indicate what the "player" wishes to explore through their character. Don't put down elements that you don't want to have come up in play.

What is your character "the BEST" at doing?

What is your character just "really good" at doing?

What niche does your character fill on the team?

Why does your character do what they do? (What does the player want to explore?)

What is your character's most important relationship... and why?

What is your character's place in the group?

What does your character struggle to overcome?

Why is this character cool to play?
